

As a fundraiser toward helping with the cost of “The Bell Tower Renovation”, the Fundraising Committee is having a plaque made that will eventually be placed on the Tower itself stating all those who donated toward having it restored.

You can donate and have your name on the plaque or you can donate in honour of a loved one and have their names on the plaque. The placement of your name on the plaque will depend on the amount donated. There will be four categories, Bronze (A donation between \$100 and \$200), Silver (A donation between \$200 and \$300), Gold (A donation between \$300 and \$400), and Platinum (A donation of \$500 and above)

This plaque will represent how strong of a community we are in this parish and how dedicated we are to helping keep this beautiful church stay in the state that it was 89 years ago. Our forefathers donated their time, skills and supplies to create a time honoured piece of art. We should be proud to be part of this project and consider it a challenge that we can make happen, and will. God never gives us more than we can handle.
